Good morning.

Thanks to those of you who have been involved in remote learning. I hope you are finding the activities your class teams are providing useful. We will be asking for some feedback in the next few weeks. In the meantime, we just wanted to bring to your attention a few additional points that we will be adding to the learner agreement. These are:

1) We agree that, when involved in a live session, anyone that is visible on camera will be dressed appropriately as expected in the classroom (although school uniform is not required).

2) There may be occasions when staff would find it useful to do 1:1 sessions with your child. On these occasions we will inform you that this is planned and ask that you are present during the call. For older pupils, who may be able to access activities without parents present, we will try to have another adult in the vicinity. If this is not possible (which may be the case if staff are working from home) we will video the call to ensure that both the pupils and the member of staff are protected.

If you have already consented to the learner agreement we will assume that you consent to these changes (unless we hear otherwise) and we will continue to provide the activities you have requested. If you have not consented to the learner agreement nothing will change and we will continue to record that you do not wish to be involved in remote learning.

Thank you.
