

14-19 Accreditation Overview

Why we use qualifications

Celebrates the work our students are achieving.	Lets us compare achievement over time and with similar groups of students.	Validates the work our students do by giving an external judgement.
Makes sure standards across the country are the same.	Gives the next placement an indication of what the student can do and what they have already studied.	Gives our students the same experience as mainstream peers.

Our qualifications

	Asdan Personal Progress Entry one and below
	Asdan Personal and Social Development Entry one , two and three
	Asdan Employability Entry two and three

Examples of modules studied

- Personal Progress - Engaging with the world around you: events, early mathematics: developing number skills, developing ICT skills, developing skills for the workplace: growing and caring for plants and developing community participating skills: personal enrichment.
- Personal and Social Development - Making the most of leisure time, developing self and working as part of a group.
- Employability - Learning through work experience, maintaining work standards and communicating with others at work.
